

A19 Omni-directional LED lamp 3000K. 800 lumens, 60W Incandescent Replacement. Dimmable

The Verbatim 3000K omni-directional A19 LED bulb is designed for standard 60W incandescent lamp retrofits. This lamp emits omni-directional light, so it can be used in environments where downward light output is required, like table and floor lamps. The 3000K warm white color temperature allows these bulbs to be used in a wide variety of residential and commercial applications. Verbatim omni-directional A-type bulbs can reduce energy consumption by more than 80% when compared to incandescent bulbs. These bulbs have an estimated lifetime of 40,000 hours, resulting in additional savings in maintenance and replacement costs. This Verbatim LED bulb is fully dimmable and backed by Verbatim's 5-year limited warranty.

Specifications

Lamp Type	A19 Omni-directional 3000K
Model	A19-L800-C30-O
Wattage	12W
Lumen Output	800 lm
Efficacy	67 lm/W
Color Temperature	3000K
CRI	80
Beam Angle	320°
Dimmable	Yes
Voltage	120V
Operating Temperature	-20°C to 40°C
Socket	E26
Design life	40,000 Hrs.
Part Number	98065

Features & Benefits

Omni-directional light, ideal for A19 incandescent retrofits

60W incandescent replacement

3000K warm white light for residential and commercial environments

Reduces energy consumption by over 80% when compared to a 60W incandescent bulb

Compatible with most commercial dimmers, offering 10%-100% dimming performance.

40,000 hour lifetime reduces replacement and maintenance costs

Environmentally-friendly product has no mercury or other hazardous materials and is RoHS compliant and UL listed.

5-year limited warranty
